

Flint Hills Wildlife Drive

Enjoy the heart of the largest remaining stand of tallgrass prairie in North America!

Take your time and enjoy the views! Several points along the way offer sweeping vistas covering up to 100 square miles of pure prairie beauty.

1. Look for the 777 and SJ Ranch signs on the fence on the south side of the road.
2. Watershed lakes on the north and west sides of the road. Cattle guard just N of intersection.
3. Lapland. A few dwellings are still located here.
4. This intersection is at the top of the divide between the Verdigris and Fall Rivers.
5. Go east (towards the microwave tower) for the side trip to Camp Creek crossing.
6. Gravel ford crossing. Do not enter if creek is up!
7. Old Bazaar schoolhouse is located on the west side of K-177. Currently a community building
